To Measure the Current Ring

1. Select a ring that properly fits the intended finger. Engagement and wedding rings are traditionally worn on the ring finger on the left hand.
2. Place the ring over the circles below, matching the inside edge of the ring to the circle nearest in size. This measurement refers to the inside diameter of the ring.
3. If the ring falls between two sizes, order the larger size.

IMPORTANT:

Please ensure that these rulers measure 30mm when printed for accurate sizing.
